

## A Message to Anderson & Anderson Providers Nationwide

The Anderson & Anderson Anger Management curriculum enjoys widespread acceptance among Courts, H.R. Firms, Business and Industry worldwide. In order to maintain our status as the industry standard in anger management, we have decided to consistently inform all clients, courts and businesses of the components of our model. We are now requesting that all providers give a **Consumer Brochure** to each new client.

We will make available, copies of this Brochure to all providers as well as to Courts, Probation and Business Organizations supplied to us by our providers.

## A Message from Anderson & Anderson to Clients

### ***Be a cautious consumer when seeking anger management intervention:***

- Make sure that your provider is listed on the Anderson & Anderson Website at <http://www.andersonservices.com/providers.html>
- If you are ordered by a Los Angeles Court to take an anger management course, you will not receive credit if your provider is not on the Anderson & Anderson provider list.
- Make sure that you are given the **Conover Assessment Map** on your first visit. You are entitled to a summary of the results of this assessment and your own copy if requested.
- Make sure that you are given a new copy of the client workbook for either adolescents or adults. The titles are: “**Controlling Ourselves**” which is for teens and “**Gaining Control of Ourselves**” for Adults. If it appears that the materials which you are given have been copied, contact Anderson & Anderson at 310-207-3591 and make a report.
- Be sure you understand the fee that you will be charged for the services to be rendered and that you fully understand how and to whom the fee is to be paid.
- Be sure you are satisfied with the methods used to ensure your communications with and by the Anger Management Facilitator will be confidential.
